

THE MORNINGTON PENINSULA'S FAVOURITE WINERY

Tuck's Ridge is child-friendly, dog-friendly winery with great views over the vineyard, spectacular food and wines that will have you dreaming of a return. The **White German Shepherd Dog Alliance of Victoria** invites their members along to a lovely afternoon with their dogs. Tuck's Ridge is a part of everybody's imagination because it is a vineyard the way we all wish vineyards to be; rustic, peaceful, green and lush. A vineyard is a place that makes you feel relaxed no matter how bad a day, week or year you have endured.

Come down, let the dogs have a run around on the lawns or in the lake, get some lovely photographs, have some lunch, do some wine tasting, relax and breathe in some fresh air!

Date: Saturday 25th July

Time: 1.30pm – 4pm

Cost: Depending on what lunch you order.

(If we get a larger group, we can order a special menu)
